

Dedicates Life to God

Dedicating her life to the service of God in the spreading of the gospel in foreign lands Miss Fern Davies has left for preparatory school where she will study for 7 years fitting herself for service in Africa or where ever the church send her. Miss Davies is a daughter of Mr and Mrs Art Davies.

Members of the Girl Guides drew up in front of the depot to say good bye. The customary salute was given.

Needless to say the entrance to such a course was a great decision on the part of the young lady. No doubt in later years and prior to her leaving for the foreign field public recognition will be made of the event locally as is customary in such cases.

**Council Of Harmony
Donates Building To Red Cross**

The regular monthly meeting of the Municipal District of Harmony 128, was held on the 5th of October, all members were present and Reeve Griffin presided.

The minutes of the previous meeting were read and approved on motion of Councillor Mix Carried

Secretary presented the regular monthly statement of receipts and expenditures, and the same was approved of by Councillor Ellis; Carried

A I Somerville interviewed the Council in respect to seizure on his crop for Taxes; this was discussed at length, it being understood that Somerville had in the vicinity of 2000 bushels of wheat. Reeve Griffin asked this taxpayer to call back in one hours time, when he would be advised of the Councils decision. After further discussion Councillor Ellis moved that Seizure be released on payment of \$150.00. Carried unanimously

Mr Somerville returned and Reeve Griffin advised him as to the above motion and he left dissatisfied with the decision.

Albert Brett interviewed the Council in respect to delinquent taxes and Agricultural advances, and the Council suggested taking title to the property. At Mr Bettes request, this was left in obedience until next meeting

A delegation of the Champion and District Red Cross association interviewed the Council, in a body, the President H T Lamont addressed the Council and asked for the use of the upstairs rooms for Red Cross work. Reeve Griffin in a few well chosen remarks, advised the delegation that the Council of the Municipal District of Harmony No 128 are all in accord with the movement and they are prepared to assist in anyway possible. Mr Griffin also asked the delegation to look at the rooms and decide if they would be suitable and also advised that they needed cleaning up. Mr H T Lamont then reported later that the organization was satisfied with the two back rooms.

Councillor Matlock moved that the Municipal District of Harmony donate the use of the upstairs to the Champion Branch of the Red Cross for the duration of the war, this motion passed unanimously.

Reeve Griffin presented the Inspectors report of the Municipal office, this was read to the Council and on motion of Councillor Matlock that same be received and filed as very satisfactory, and that the Department be advised accordingly. Carried

Secretary read to the Council a communication, a copy of letter from the Deputy Minister A. I Somerville no discussion

Secretary reported to the Council that C. Popovitch had submitted an offer of \$75.00 in settlement of arrears of Taxes on an old mine, and on motion of Councillor Ellis same was accepted. Carried

Councillor Hopkins moved that W J Ellis be appointed as Deputy Reeve for the second half of the term. Carried

Councillor Hopkins moved that C Rhodes be appointed Assessor for the Year 1939. Carried

Councillor Hagerman moved that the Secretary proceed to advertise in the Alberta Gazette lands for sale for delinquent Taxes Tax sale to be held on December 1st, 1939. Carried

Councillor Mix moved that the District rent the S W 1 - 16 22 - 4 to James Chapman for the sum of \$10.00 cash to March 1st 1940 and then as per offer at \$30.00 per year. Carried.

Secretary read a communication from the Administrator of Estates, this being in reply to a communication from the Secretary respecting the affairs of Henry Schanbals. This communication met with severe comment from the Council and appeared to be very evasive, and Councillor Hopkins moved that Secretary again write this Department and demand a proper statement of Schanbals affairs, they demand a complete statement of goods sold also what has been done with proceeds and seeing that Mr. Schanbals is now a Municipal charge the Council feel that this should be forthcoming. Carried

A discussion arose in respect to Insurance on the old Municipal building, and Councillor Hagerman moved that the Secretary proceed to arrange for Insurance on the building and to delete Insurance on office furniture. Carried

Secretary read a communication from F G Beaumont, advising that the date of the Trial M. D. of Harmony vs National Elevator Company has been set back to October 31st 1939 at Lethbridge.

A list of clothing was presented to the Council, this was forwarded from the R C M P at Rimby for the Lockhart family, this was discussed for a while and Reeve Griffin moved that same be forwarded to the Bureau of Relief to be filled, and the Secretary was advised to have the Department make another checkup on some of the older children as they feel they should be self supporting.

As there was no further business to be discussed, Councillor Hopkins moved that the meeting adjourn.

**Good Wishes
Expressed To Teacher**

The Community hall was the scene of a pleasant social evening last Friday in honor of Mr and Mrs R. L. Baker.

Mr. R. D. Farries occupied the chair and a interesting program was enjoyed including items of music from United Choir, high school pupils Boy scouts and other such other numbers

Fred Fleming chairman of school Board in an able address summarized what contribution Mr. Baker had made to the local school. He told of his personal knowledge the affection and esteem which former pupils, many of them being teachers now, held for Mr. Baker. He then presented the guest of honor with a beautiful Gladstone bag.

James Brown, representing the Students Union body expressed the sincere good wishes of the students towards their former teacher and asked Mr Baker to accept as a token of their good wishes a brief case.

G M Campbell representing The Community as a whole told of the appreciation which all had held for Mr. Bakers efforts while in Champion. The guest of honor had always given his assistance to all causes which had for their object the bettering of conditions.

Mr Baker replied to these presentations and in the case of the remarks of Mr. Brown, complimented the young man on his efforts to represent the feeling of his fellow students. To the school Board and citizens of the guest stated that he would always cherish pleasant memories of the associations formed while here.

A social hour concluded the pleasant evening.

Wedding Bells

Hubka — Bailey

A quiet wedding took place at 2 p.m. on Oct 3 at the home of the grooms mother Mrs. B. M. Hubka of Carmangay west when Rev. Father Moreau of Granum officiated at the marriage of Beulah Alice, the eldest daughter of Mr and Mrs Geo. Bailey of Turin to Rudolf Emmett, third son of Mr and Mrs B. M. Hubka and the late Frank Hubka. The rooms were beautifully decorated with flowers and fern.

The bride wore a floor length gown of blue taffeta, her white silk net veil falling from a coronet of orange blossom and she carried a bouquet of pink roses and ferns. The attendant Miss Jean Carley of Taber wore pink net over satin also floor length and carried a bouquet of pink carnation. Frank E. Hubka supported the groom.

Mrs. A. E. Bach played the wedding march from Lohengrin. A buffet lunch was served the 32 guests following ceremony. The happy couple left for Calgary Banff and B. C. points. On their return they will reside on the grooms farm south east of Carmangay.

**Carmangay Has
Representatives On
Irrigation Project**

In order to put forward the claims of Carmangay and district as regards irrigation a good delegation went to Lethbridge last Wednesday to attend the luncheon and meeting called to discuss the water projects for Southern Alberta.

Wm Spence and several other members of the P. F. R. A. were present.

Although the main object was the lands tributary to the St. Mary's river project, some consideration was given to the local scheme in as much that 4 members were elected to the water conservation council formed at the meeting namely D. H. Russell, A. F. Wilson, E. H. Griffin and Orville Smith.

School Board Meets

Meeting of the school Board held Tuesday presided over by Fred Fleming, chairman was featured by the tabling of the replies from the three school units. All three larger units had different ideas for paying tuition fees for grade 12 pupils who attend the local school. It was decided to forward all 3 letters to the department asking for a ruling so that the charge will be uniform.

Art Davies appeared asking for an increase in wage. His request was granted and five dollars will be added to his pay next month.

Tax collections are good it was reported. A determined effort will be made to collect all arrears even if recourse to law is necessary as it is unfair to expect some to pay and not others who with self sacrifice could pay something.

Donates To Red Cross

Mr Alex Mc Dougall is showing a registered shorthorn heifer calf at the stock sale in Calgary on November 1st and we are pleased to state that the proceeds of this calf will go to the Red Cross Society, Champion branch. Mr McDougall is showing a number of other cattle from his well known pure bred herd.

The Chronicle on behalf of the Red Cross say thanks to Mr McDougall.

Council Helps**Young People**

At the Village council meeting held Thursday the Dramatic Club was given permission to repair the rink. Council will supply heat and light.

It was also suggested that the curlers might wish to also organize and the council will be sympathetic towards their claims.

Recreation

We are pleased to note that the village council has seen fit to co-operate with the young people in making the local rink better suited for winter recreation program, as well as offer encouragement to the older men and women who enjoy curling.

Since coming to Champion we have felt the lack of a co-operative spirit in organized sport. There is good material here for hockey, baseball, tennis and the other sports but for some reason or other organization is lacking to bring out the best results. We have hopes that with the Dramatic Club interesting itself in the matter that Champion will be the centre for skating and some hockey this winter.

Champion can not compete with Lethbridge in the production of hockey but it can support the young people in providing for themselves clean amusement. We join with others who have witnessed national hockey in saying that a well balanced juvenile or junior team can provide for the average person just as much real fun as the games in the Maple Leaf Gardens.

So let everyone get behind the group and show the world that Champion and district is a live centre for sport.

Another Corridor

In the light of Europe's desperate plight, brought about in a large measure by a neck of land that severed a province, it is interesting to note that there is a Canadian "corridor" that sunders Alaska from the United States.

From every physical aspect this is very similar to the European case, yet how different, in an absolute contrast, are the relationships involved! Where the German-Polish frontier bristled with armaments, the American-Canadian boundary presents not a single sentry - not only along the imaginary line between the State of Washington and British Columbia, but along the 3,000-mile border.

Only a few days ago Canadian and American citizens once more united their efforts to build a highway, by joint enterprise, across the Canadian "corridor" joining the United States and Alaska.

That there will be a highway from United States to Alaska is a promise accepted by the interested citizens of Washington and British Columbia; which of two proposed routes will be taken will not be a matter of political chicanery but of engineering feasibility, not a matter of national rights or pre-eminence but of the greatest good for the greatest number; not a matter of military advantage of one nation over another but the advancement for peaceful progress of "two nations side by side". "Corridor" problems can be solved peaceably.

Personal Problems

Questions submitted to this office will receive prompt and confidential attention

Arthur T. asks me how he can get rid of the blushing habit, I have been afflicted with it ever since I can remember. He writes "I seem to be getting worse. If I am in company with women, if I meet a young lady I know or even if the name of one known to me is mentioned I feel myself getting red all over. I am often teased about it and would do anything to get rid of it."

Blushing is sometimes the result of a guilt complex. In that case the only cure lies in frankly facing up to the guilt and determining the not to err in the same way again. The fact, however, that you have been afflicted with it ever since you can remember and that you are now twenty six, would indicate that the cause of the trouble would lie elsewhere.

If you were brought up in a strict atmosphere you may have acquired an unconscious sense of shame or fear regarding sex. In that case, the cure lies in frankly acknowledging the necessity of sex, and in deliberately adopting a right attitude toward the opposite sex.

I think your trouble does lie here. Hundreds are suffering in the same way. If parents would take care not to

impart, even unconsciously wrong notions to their children, a lot of trouble in later life would be avoided. Recognize that sex is a gift from God like all other gifts, rightly used is a blessing. Abused it becomes a curse.

You may be anxious to make "good" impressions upon the ladies and afraid you are not doing so. If that is the case, you must learn to forget yourself. Do not worry about the impressions you make. Just strive to be natural and at your best all the time and you will make the right kind of impressions.

You are best able to discover what makes you blush. Try to find out what it is. You will almost certainly find out it is nothing about which you need worry. When you discover over what it is, you will be able to rid yourself of it. In the meantime, cultivate the desire to be the best kind of a man you possibly can be, and deliberately aim to make the best contribution to society and the life around you of which you are capable.

Have you a problem. Let this writer help you with it. Write to him to day and he will tell you what to do without revealing your identity. If you desire a personal reply enclose a stamped, addressed envelope. Write to: Dr. M. M. Lappin, 501 Ryrie Bldg Toronto, Ontario, Canada.

A Sermonette

THE DIOCESE AT PRAYER

O God Who never sleepest and art never weary Have mercy upon those who watch to night: On those who Command, that they may be strengthened with Counsels. On the Sick that they may obtain Sleep On the Mourners, that they realize the Communion of Saints On the anxious that they may find rest in Thee,

On the wounded, that they may find Ease; On the dying that thy may find Peace. The quieting power of recollection let it have sway.

"I put into the keeping of God All doings of today, All disappointment, hindrances, forgotten things, negligences All gladness and beauty, love, delight achievement.

All that people have done for me, All that I have done for them, my work and my prayers And I commit all people whom I love to His Shepherding, to His Healing and Restoring, to His Calling and Making; Through Jesus Christ Our Lord Faithfully your Vicar

Municipal Inspector Reports on Local Conditions

At the meeting of the council of Harmony last week the municipal inspector's report was tabled and it was of such a character that The Chronicle asked to read the document.

From a financial standpoint the report states the condition is satisfactory.

Cash book posted to date and receipts deposited except cheque for \$166. Books totalled and balanced monthly. Required trust accounts kept and banking done locally. School and hospital requisitions paid to date. Municipal collections last year were \$25,732 compared with \$17,976 current levy. Balance on hand at Dec. 30th 1938 \$13,756 and outstanding accounts approximately \$1750. In addition \$32,652 is owing on Secondary highway account.

Minute book in good order and seems to fully reflect business conducted by the council.

Monthly statements submitted in approved form. Estimates detailed and bylaws passed for municipal tax only school and hospital also required. Form B prepared.
